To Whom It May Concern:

Effective November 5th, 2018, the 16th District Court will no longer provide civil process on General Civil, Small Claims, or Landlord Tenant matters. There are two independent process servers that you may use to serve Court Pleadings. If you choose to use one of these companies, you must contact them directly about pickup and fees. You are also welcome to use any qualified process server agency.

When personal service has been perfected, a description of the party served must be included on the proof of service.
